Scoring Guidelines

Number of Correct Answers	Note
1 – 6	Study more!
8 – 13	Good comprehension.
14 – 23	Excellent

Example:

After checking your answers in quiz 1, you end up with 13 numbers answered correctly. That means your comprehension on second language acquisition theory from Lecture 1 – Lecture 8 is already good. However, there are some rooms of improvement in which you can use to advance your knowledge about SLA further.
